Professional Experience

Administrative Coordinator, Customer Success Team | Administrative Coordinator, Vendor Verification eRepublic

October 2025 – January 2026 (Contract)

- Coordinated scheduling across client engagements and internal workflows by managing shared calendars and arranging kickoff calls and status meetings while capturing meeting insights, documenting action items, and updating Salesforce and project systems.
- Facilitated seamless project execution by organizing timelines, maintaining documentation, submitting and tracking creative requests, and coordinating webinar logistics (including invitations and landing pages).
- Reviewed procurement databases, award communications, and supporting documentation to accurately update system records by categorizing outcomes, recording vendor participation, publishing intent-to-award notices, and uploading finalized proposals.

Grant Program Administrative Coordinator Judicial Council of California

April 2025 – October 2025 (Contract)

- Coordinated a statewide \$5M grant program spanning 13 counties by managing training logistics, stakeholder communications, and compliance workflows, contributing to a 50% increase in compliance rates and 75% funding utilization.
- Digitized compliance workflows by designing automated spreadsheets and MailMerge systems that reduced processing time from 30 days to 5 days (83% improvement), enabling faster decision cycles and eliminating administrative bottlenecks.
- Maintained governance accuracy for 15+ MOUs by tracking statutory language, funding references, and regulatory citations, reducing error rates by 10% and strengthening audit outcomes through rigorous document control and version management.
- Developed standardized templates, compliance procedures, and audit-ready documentation that reduced audit preparation time by 35% and saved 80 labor hours annually, improving transparency and executive confidence in program operations.

Senior Executive Assistant to the CEO & COO NAMI California

December 2022 – September 2024

- Acted as a strategic partner to the CEO and COO by managing complex calendars, travel, and decision workflows, reclaiming 130+ executive hours annually through automated briefings and productivity-aligned scheduling.
- Elevated board governance by managing agendas, communications, and timed reminders, achieving 100% quorum at quarterly meetings and accelerating decision-making cycles that improved organizational responsiveness and initiative rollout.

- Directed vendor strategy for executive retreats, conferences, and VIP engagements by negotiating contracts and optimizing logistics, generating \$6K+ in annual savings across event budgets ranging from \$10K to \$50K.
- Strengthened executive operations by implementing structured follow-up systems, consolidating documentation workflows, and ensuring leadership had timely access to essential materials, decision trackers, and stakeholder updates.

Executive & Board Operations Associate
Umoja Community Education Foundation
August 2021 – November 2022

- Enhanced executive and board operations by proactively managing schedules, anticipating conflicts, and implementing contingency plans that resulted in 95%+ on-time meeting starts and improved continuity of strategic discussions across high-visibility initiatives.
- Implemented a cloud-based project management system that reduced cross-departmental delays by 35% and improved visibility into deliverables across five major global projects, including international conferences in Ghana and board restructuring efforts.
- Established a “one-week-early” preparation baseline that ensured stakeholders and community partners received 100% of required materials ahead of deadlines, strengthening collaboration and accelerating project execution.

Program Operations Analyst
California Department of Corrections & Rehabilitation
October 2015 – January 2021

- Managed 1.3K+ annual procurement transactions by developing a specialized procurement calculator that reduced processing time by 30%, saving 200 labor hours and \$3K in fees annually while improving accuracy and compliance with state purchasing rules.
- Conducted 20–50 weekly audits of procurement records, invoices, and purchase orders, improving audit accuracy rates by 25% through meticulous documentation, standardized processes, and proactive issue identification.
- Digitized 3K+ physical records into a centralized system, improving retrieval efficiency by 40% and reducing misfile incidents by 75%, ensuring audit readiness and operational continuity across high-volume procurement environments.
- Coordinated mission-critical healthcare procurements by balancing urgent service needs with strict regulatory requirements, ensuring uninterrupted statewide healthcare access for incarcerated populations.

Analyst, Procurement & Contracts
California Department of Corrections & Rehabilitation
October 2013 – October 2015

- Served as a central liaison for institutional buyers by providing guidance on procurement decisions, clarifying rejected assignments, and maintaining transparent communication across high-volume purchasing workflows to support operational continuity.
- Managed documentation and audit-ready logs for \$5M+ in purchasing activity, implementing retention systems that reduced internal audit error rates by 65% and strengthened accountability across procurement operations.
- Processed approximately 780 annual requests while improving contract cycle efficiency by reducing processing timelines from five to four business days, saving 52 labor hours annually and increasing workflow predictability.
- Improved audit pass rates by 5% by standardizing documentation, enhancing quality control, and reinforcing compliance protocols across contract and purchasing activities.
